Re: Halpert Catering

Howard Park Children's Centre has been a client of Halpert Catering for the past 15 years or so.

I find Marvin and his staff wonderful to work with, they are extremely accommodating in their menu planning to all the needs of the children, whether it be for an allergy, cultural or religious reasons. Throughout the year Marvin and his staff provide an interesting and varied menu by providing a fall/winter and spring/summer menus, as well picnic lunches are available when required. All food prepared by Halpert Catering is both yummy and trans fat free.

You can't find a better lunch caterer than Halpert Catering. Should you require any further information, please contact me at 416 532-3945.

Sincerely,

Heather Humphries
